COMMENTS:

This bill would increase appropriations for certain postsecondary education facilities in order to complete a joint project on the California State University, San Francisco, campus. The August 7, 2006, amendments removed language that would have limited state entities' use of identity cards containing devices that would enable personal information embedded in the card to be accessed remotely.

As a result of the amendments, this bill no longer impacts the department's programs or operations, or state income tax revenues.
